**Amendments to Hon Duncan CHIU's motion on
"Studying the enactment of a cyber security law
and building a comprehensive system against cyber fraud"**

The President has given permission for Dr Hon Hoey Simon LEE and Hon CHAN Hak-kan to move amendments to Hon Duncan CHIU's motion. The terms of the original motion and the marked-up version of the amendments (LC Paper No. CB(1)1134/2025(01)) are **attached** for Members' information.

2. The President will order a joint debate on the above motion and the amendments. I set out below the relevant proceedings in which the President will:

- (a) call upon the motion mover to speak and move the motion;
- (b) propose the question on the motion;
- (c) call upon the Members who wish to move amendments to the motion to speak in the following order, but no amendment is to be moved at this stage:
 - (i) Hon CHAN Hak-kan; and
 - (ii) Dr Hon Hoey Simon LEE;
- (d) call upon the public officer(s) to speak;
- (e) invite other Members to speak;

- (f) call upon the motion mover to speak on the amendments;
- (g) call upon the public officer(s) to speak again;
- (h) deal with the amendments in the order set out in paragraph (c) above, i.e. first invite the mover of the first amendment to move the amendment and forthwith propose and put to vote the question on the amendment, and thereafter proceed to deal with the remaining amendment(s); and
- (i) after all amendments have been dealt with, call upon the motion mover to reply, and then put to vote the question on the motion, or the motion as amended, as the case may be.

3. Members are reminded that in accordance with Appendix IIIA to the House Rules, the **maximum duration of this joint debate (including voting) is four hours**. The motion mover will have a total of 10 minutes to make introductory speech and reply (paragraph 2(a) and (i) above refers), and another five minutes to speak on the amendment(s) (paragraph 2(f) above refers). The mover(s) of the amendment(s) and other Members may each speak once up to a maximum of five minutes.

**Motion debate on
“Studying the enactment of a cyber security law
and building a comprehensive system against cyber fraud”**

1. Hon Duncan CHIU’s original motion

That as cyber fraud has become one of the major crimes in Hong Kong and such crimes are expected to persist in the future, it is imperative that the SAR Government make early preparations and establish a more robust and secure barrier for protecting the property security of the public; in this connection, this Council urges the SAR Government to study the enactment of a cyber security law and related regulations, and proactively promote tripartite collaboration among the Government, the business sector and the community to build a comprehensive system against cyber fraud, so as to further enhance cybersecurity and anti-fraud effectiveness.

2. Motion as amended by Hon CHAN Hak-kan

That as *with the rapid development and popularization of digital technologies, especially the widespread application of social media, instant messaging software and electronic payment tools*, cyber fraud has become one of the major crimes in Hong Kong and such crimes are expected to persist in the future, *so* it is imperative that the SAR Government make early preparations and establish a more robust and secure barrier for protecting the property security of the public; in this connection, this Council urges the SAR Government to study the enactment of ~~a cyber security law and related regulations~~ *laws and regulations to enhance cybersecurity in response to the growing prevalence of false information on the Internet and related fraudulent activities*, and proactively promote tripartite collaboration among the Government, the business sector and the community to build a comprehensive system against cyber fraud, so as to further enhance cybersecurity and anti-fraud effectiveness.

Note: Hon CHAN Hak-kan’s amendment is marked in *bold and italic type* or with deletion line.

3. Motion as amended by Dr Hon Hoey Simon LEE

That as cyber fraud has become one of the major crimes in Hong Kong and such crimes are expected to persist in the future, it is imperative that the SAR Government make early preparations and establish a more robust and secure barrier for protecting the property security of the public; in this connection, this

Council urges the SAR Government to study the enactment of a cyber security law and related regulations, *enhance extra-territorial law enforcement capabilities, including studying the legal provisions on jurisdictions and further strengthening cross-regional judicial collaboration*, and proactively promote tripartite collaboration among the Government, the business sector and the community to build a comprehensive system against cyber fraud, so as to further enhance cybersecurity and anti-fraud effectiveness.

Note: Dr Hon Hoey Simon LEE's amendment is marked in *bold and italic type*.
