Dear Ms Kan,

**Bills Committee on Northern Metropolis Development Bill
Follow-up actions arising from the meeting on 17 July 2026**

I refer to the email of 20 July 2026 from the Secretariat to the Development Bureau regarding the follow-up actions arising from the meeting of the Bills Committee on Northern Metropolis Development Bill (the Bill) held on 17 July 2026, and our reply is set out below.

The suggestion from the Bills Committee to set out the legislative background and objective in the Bill is duly noted. While the legislative background and objective of the Bill have already been clearly set out in the relevant Legislative Council (“LegCo”) papers and the LegCo Brief, in response to the Committee’s suggestion, the Administration will consider whether it is feasible or appropriate to make technical amendments to the Bill to clarify its legislative intent and objective in a clearer manner.
