Explanatory Note

This Regulation amends the Pharmacy and Poisons Regulations (Cap. 138 sub. leg. A) to add certain substances (*newly added substances*) to the following provisions—

- (a) Division A of Schedule 1;
- (b) Division A of Schedule 3;
- (c) Division A of Part 1 of the Poisons List set out in Schedule 10.

2. After the amendments take effect—

- (a) the sale, by retail, of the newly added substances—
 - (i) may only be effected on the registered premises of an authorized seller of poisons by a registered pharmacist or in the presence and under the supervision of a registered pharmacist; and
 - (ii) may only be effected on and in accordance with a prescription by a registered medical practitioner, registered dentist or registered veterinary surgeon; and
- (b) the newly added substances, if stored in retail premises, must be stored in a part of the premises to which customers are not permitted access.
