Hon HO Mun-ka, Michael

Dear Mr HO,

Immigration (Amendment) (No. 2) Bill 1995

I refer to your letter of 2 November 1995 indicating that you wish to present the above-mentioned bill to the Legislative Council.

Having considered the Administration's views on your bill and your representations, the President is of the opinion that your bill would not have a charging effect within the meaning of Standing Order 23.

Yours sincerely,

(LAW Kam-sang)
for Clerk to the Legislative Council
