Dear Andy,

**Mass Transit Railway Bill
- Clause 15 of Operating Agreement**

I refer to the meeting of the Bills Committee on 6 January 2000 where a Member suggested that the report by the external auditors appointed by MTRCL under clause 15 of the Principal Headings of the Operating Agreement should be accepted as final and binding. We have considered the Member's suggestion and agree with it. We will amend the provision of the Operating Agreement accordingly.

Thank you for your kind attention.

Yours sincerely,

(Roy Tang)
for Secretary for Transport
